Tristan keeps the men in line, Brianna beats them down.
We'd ask Will's opinion, but he's nowhere to be found!

Gerraint he feeds all the men with his lovely sausage... stew, *wink*
Miriam's the steward, so of course she loves it too! *nudge-nudge, wink-wink*

Chorus

Juniper's a healer who prefers breaking bones,
Leofric is a creepy kid who prefers to be alone.

Meredith's a priestess, loyal to the core,
But don't ask for a sermon as. It'll likely be a bore!

Chorus

We'll do it for a copper, we'll do it for a crown...
But pay up quick and then get rid... 'Cause the smell it hangs around!
