1. Bregaslanders, blood and bone
Bolholt! Bolholt!
Strong as iron, hard as stone
Bolholt! Bolholt!
Hard at work by day and night
Never beaten in the fight
Courage, pride and loyalty
Marcher yeomen are we

2. For the land we'll tireless toil
Bolholt! Bolholt!
Golden corn and rich brown soil
Bolholt! Bolholt!
By our oath and duty bound
Loyal as a hunting hound
Courage, pride and loyalty
Marcher yeomen are we

3. Bolholt maids have beauty rare
Bolholt! Bolholt!
In all the Empire none so fair
Bolholt! Bolholt!
Bolholt lads are stout and strong
Handsome as the day is long
Courage, pride and loyalty
Marcher yeomen are we

4. Fearsome foes wait on the field
Bolholt! Bolholt!
Still we'll fight and never yield
Bolholt! Bolholt!
Raise the banner up on high
Now they'll hear the battle cry
Courage, pride and loyalty
Marcher yeomen are we

6. Time to put aside your plough
Bolholt! Bolholt!
March with me to battle now
Bolholt! Bolholt!
On to victory or death
Never fail while we draw breath
Courage, pride and loyalty
Marcher yeomen are we
