1. *This time of the year is spent in good cheer,
And neighbours together do meet
To sit by the fire, with friendly desire,
Each other in love to greet;
Old grudges forgot are put in the pot,
All sorrows aside they lay;
The old and the young doth carol this song
To drive the cold winter away.*

*Chorus:
To drive the cold winter away, away
To drive the cold winter away
The old and the young doth carol this song
To drive the cold winter away.*

2. *To mask and to mum kind neighbours will come
With wassails of hot brown ale,
To drink and carouse to all in the house
As merry as bucks in the dale;
Where cake, bread, and cheese is brought for your fees
To make you the longer stay;
At the fire to warm 'twill do you no harm,
To drive the cold winter away.*

Chorus

3. *When white-bearded frost hath threatened his worse,
And fallen from branch and briar,
Then time away calls from husbandry halls
And from the good countryman's fire,
Together to go, to plough and to sow
To get us both food and array,
And thus will content the time we have spent
To drive the cold winter away*

Chorus
