Chorus:

*Lay me low, lay me low, lay me low
 Where no-one can see me
 Where no-one can find me
 Where no-one can hurt me*

*1. Show me the way, help me to say
 All that I need to
 All that I needed you gave me
 All that I wanted you made me
 When I stumbled you saved me*

*2. Throw me a line, help me to find
 Something to cling to
 When the loneliness haunts me
 When the bitterness taunts me
 When the emptiness eats me.*
