

Oats and Beans and Barley

1. Oats and beans and barley grows
As you and I and everyone knows,
O oats and beans and barley grows
As you and I and everyone knows,
A-waiting for your partner.

2. First the farmer sows his seed
Then he stands and takes his ease
Stamps his feet and claps his hands
And turns around to view the land
A-waiting for your partner

3. Now you're married you must
obey,
Must be kind in all you say,
Must be kind and must be good
And help your wife to chop the
wood,
A-waiting for your partner

4. Oats and beans and barley grows
As you and I and everyone knows,
O oats and beans and barley grows
As you and I and everyone knows,
A-waiting for your partner.
