

Steal Out

Set your work aside and join the fair folk of the Realm of Summer!

Note: A drone (Bb and F) is good. Use plucked violin or other plucked strings (e.g. harp, guitar) for rhythm (suggested below). Avoid standard chords (i.e. use open fifths).

7 Ab Bb Verse:

leave your wea-ving, warp and woof, steal out to us this Sum-mer's night. 1)Steal

13 out to us, our toss-ing hair sets suit and moon and stars a-flare. The ra-cing winds are

18 hounds be-side the cloud-maned hor ses that we ride.

Chorus:

Forget the hearth, forget the roof
Set the wheel aside
Leave your weaving, warp and woof,
Steal out to us this Summer's night

1. Steal out to us, our tossing hair
Sets suit and moon and stars a-flare
The racing winds are hounds beside
The cloud-maned horses that we ride

2. Come ride with us, have heart to dare,
The plunging steed, the steep of air
The swirling, high, tumultuous flight,
The aery hooves this Summer's night
