

Whose Pigs Are These?

Note: This song can be sung as a round, in which case best stick to the first verse. The places where each group comes in, in the round, have been indicated by asterisks. Up to four groups can do this round. The song can be sung a-capella, or accompanied by a G (and D) drone, or try the suggested chords if you are not singing the round.

G D G * D G
 1. Whose pigs are these? Whose pigs are these? They
 * D Em Bm
 are John Potts', you can tell them by the spots and I
 * C D G
 foud them in the mon - a - stery gar - den.

1. Whose pigs are these? Whose pigs are these?
 They are John Potts',
 You can tell them by the spots
 And I found them in the monastery garden

2...It's a Merrick sow
 And its bigger than a cow...

3...He's a Tusker boar,
 You should hear the bugger roar...

4...They're King's Stoke swine,
 'Cause they look so mighty fine...

5...It's a Cullach boar:
 They've got them by the score...

6...It's from Ramsbruck Keep
 'Cause it's actually a sheep!...

7...It's a Talbot hog
 And it's loyal as a dog...

8...It's a Bolholt pig,
 You can tell because its big...

9...You can tell it's had a bevvie
 With the Applewood Levy...

10...It belongs to a Beater:
 It's a keeper, not an eater...

11...This pig's from Dawn
 And they use it for porn...

12...It's from the Brass Coast
 And we're going to have a roast...

13...Well it looks like pork
 But it's actually an orc...
